chk for excess in this c--stuff to funnel to others?

dual struc e at party; kid on course

Hocko: cd be start of whole new career for you. The actor!

UH uh I've seen enough of pretend with all that

weird baggage drops in on BB

Hocko: why I never get invited ? I aint so old that I can't
still screw, though I'm partial to ladies, and not men or
halfandhalfsIs it really true that

BillyBillie a man and lady both...?

e: Hell I don't even want to konw. I know enough. and I don't
care enough either. I heard of a guy in West Virginia with a
wang so long

he could stick it up his own ass. Had to get it in there still
sort of semi limp and then when it hardened he got lifted clean
off the fuckin ground.

How can you be a rich businessman? How is it possible? all the
others and that senator!

That's it. I *ain't* rich. Can't buy a ham sandwich. I'm so
close to fuckin

welfare it aint no joke!

or make somewhat eddie gets image of Indian witch d moving same way etc

w dewdrops etcbamboo guy on green transformed

god guy wi bamboo he's there at plungealmost stars leaping from his

a la sparks fm dart car and Silent Woman

and exposer

but Eddie knows he's hallucinating, lays it to scotchthis cape older

than I amHocko.

supposively Minnifieeld's

It cost an arm and leg and aint worth turpentine.

and would horribly shock e.hint he saw indian before

HE DIDN'T HAVE TO SEE MINNIFIELD SINCE HE WAS HIM!!!!!!!powerful

fantasy working through his very veins

possessing him etc though started in play

hints how he's more self confident and seeing himself in plunging

carscarf etcfeels pain of crash!!!!!!!--never felt such a thing
before , gets it from Lissa somehow, how she could feel
Hocko take it slower it's play acting adn e remss how Lissa
knew internally

somehow pop is encount as devil in strobe and mins takes off

mins falls into gorge and eddie sees purple blood

Eddie: maybe this is the one satanic thing in him and theref
mogus

not wrong

this somehow discharges whatever evil he has etc.saves his
earthly life but for what?.

feels flow fm gorge and then discharges into "Billy Mogus"

so he's Satan then switches back

so unconventional effect on them is evil but more complex on
hero

Evil seizes Eddie

c might be overload what with continuing action and explanation
of fates etc

Police seeking Argosy Trenthorn for questioning in RS murder
and Bicky's suicide or murder.
mystery of dissap senatorin their greed one life is not enough

IN THEIR GREED ONE LIFE IS NOT ENOUGHIN THEIR GREED ONE LIFE IS
NOT ENOUGHAS A NATION WE GRAB OFF TOO MUCH!!

skin cancer and ozone

So what? There has to be a palpable consequence, not future one
Make fantastically wild towards end: example: universe takes on
banging aspect
ala billy and mom

GETS GLIMPSES OF FUTURE IN THIS C

2 fell before indian woman, 20s flapper guy drunk, former silent

THE SILENT WOMAN was inn in late 1800s sign in hist soc
show indian woman

latter singin 1st typ waste to e. same as guys splashing
selves on highway ; 2d haunts and indian
images lovers leap sort of

ind dies for love fats'd say romantic idea you could trace
but ed says more to it

kid devil cape mogus gorge : discharges
evil but knows he leaves them stunted :wht's left after
shock wave passes;; golfers banged off trees then gave up

start w kid pvfather gone crazy hung round w weirdos and mother
drunk

after kid beat , mogus in roils of glee and repent
striking forehead against rocksscratches glow a la blanket
she see them ten and counts up to billy but two others glow
joy vs blacknessjoyful evil

kid bounces around woods etc. at endreslessness/s/

kid devil cape mogus gorge : discharges
evil but knows he leaves them stunted :wht's left after
shock wer petit mal stroke,
muscular

I CAN'T PAY YOU ENOUGH

HEY! THIS IS DOING SOMEHTING ISN'T IT?

wife in blankets looks like indian sort of calcifies
becoem silent woman

LOTS OF THINGS I DIDN'T DO RIGHT BUT WRONG SHE PUT SO MUCH ON ME

AND FASN TOO IT'S ALL HAPENN AT ONCE:

TWO OTHER DEATH IMAGES SUPERIMP AND

I;m the d trump of rural maryland

Note: Eddie at course to aid vulgar developer at opening party
for one condo

named for Minnifield, E dressed as Minnifield, w / cloak etc
theref evil sucking fm him and towards Mogus nee Brakchord

Eddie dances when "mogus" plunges!!!!!!!, sings too, painsong
BLOCKS THAT FOREVER!!!!!! and fact that he aw bamboo guy
approving, and he doesn't ask what's he doing there in the
dark?but rids him of evil forever that he generates--not byrons

END WITH!!!!!!!!!!!!some sor t of dance at end wher ED gets more
free w

cape and at the same out of e's control

time ack evil in world and in him ???????????

condos mostly rentals

She sends him card on HER birthday I'm living in Billie Billy
now.

My girlffriend's in The Senator down in the gorge but wants to

get up here

cause its so damp

and kids and mom live after as in a bruiseSTRUC!!!!

and BB too fat to stand upAfrican tribes etcBaron De bak

fats billowing as covering all the sea in world in E's fant

sharks and other fish swimming in and outimage grows

gloriously! MAGIC IRRIDESCENCES ETC. Also shark not

menacing but beau

into this billwing musticolored fishes swam

start kid's pv

somewhere: you cna be crisp and neat and contained and yet thos

e who know and like you can see the pain

HOW EVIL EDDIE WS ATOP THAT GORGE!!!!!!!!!!!!It powers him and

get him forget fear

he lvies in moment then! for him power put him in moment and

not in hallucina

rem singing fmsomewhere--prom emanating fm clubhouse but ED

picksupand distorts atonally --bugging "Mpogus/' eyes but when

sen plunges

back in forth tween kid on course and Eddie and Hocko
rem redlined cape

COULD JUST BE LIGHT COMING INTO WINDOW, BUT SMOKE?

REAL NIGHTMARE IN THIS AS IF ATMOS BRING BACK DORMANT IMAGES
THAT ARE

THERE! NOT JUST IN HIS MIND

REM SON PLAY GOLF IN TWI!!!!!!!!!!!!!! smoke mists

smoke silver light deer w silvery twitches

gorge comes into thoughts:ball slicing along edge, tracing
edgewhere all the

queers blow ea other

or something

If I catch any!!!

rem dirt piles from condo why mogus gets confused and plunges
kid play golf and moans about stranger coming in take place on
golf team, parents buying condodeer

kid home w sticks and hears rocking bed fm far off
and paralyzed hides then

painting minister come out and kid says sleazebucket, again
highly

rougedchases him down stairs bare metal and clotted concrete
NOISE!

since

eleva don't work

silver twitch of der fm distance

shattering golf sticks etc as they meet purple blackpulpit robe
and then

chasing him and beating him w iron--flash struc shrieking,
laughing

in that light joke

shaking head, ducking distant and strangely unaffected

son it;s god understand these thingsoops that was good, yes, try
that spot again

lots of blood then

impli will

be everything both relaxed and agitated (?)

kid not know what do follows at distance w club and minister
increases pace to try to circle round to car twi and
clouds broiling purple, lightning rapid fire but w/o thunde or
rain

kid loses hlim and then E picks him up
good that his fla dream is banal
